WHO WE ARE:

The Lake of the Ozarks Woodcarvers Club began in the early 1980's with a few woodcarvers getting together to enjoy their love of woodcarving. Formalized in 1984, the group has grown to over 100+ members from all across Missouri and adjoining states. Our ranks consist of beginners to seasoned carvers, including members of the elite "Best of Missouri Hands" state artists group. We comprise the largest single grouping of woodcarvers in the state.

WHAT WE DO:

Twice a year we hold beginning/intermediate carving classes at a local church. Additionally, we hold 9+ advanced seminars a year taught by nationally renowned woodcarvers. More casual carving get-togethers occur each week at four different sites in the area.

We participate in local festivals and events demonstrating the art of woodcarving. Our members also present workshops and programs at local schools, Boy Scout troops, and for civic groups. We have participated in the "Eagle Cane Project" providing individualized canes to wounded veterans nation-wide.

ANNUAL CARVING SHOW:

In 2024, our 8th Annual Show attracted carvers from Arkansas, Iowa, Kansas, and Missouri. It is one of the largest woodcarving shows in Missouri.

The 2025 Show will have fifty four "judged" carving categories with ribbons for the first three winners in each category, as well as, a grand prize "Best of Show" winner, and a "People's Choice" award voted on by show attendees. The special "Sponsors Ribbon" will be awarded to those carvers selected by the Show's sponsors.
