Jocularly

- If liars' pants really did catch on fire, watching the news would be a lot more fun.
- Stay away from negative people. They have a problem for every solution.

- If I waited until I had all my ducks in a row, I'd never get across the street. Sometimes, you just have to gather up what you've got and make a run for it.
- Never trust an electrician with no eyebrows.
- I don't care how nice the hand soap smells... you should never walk out of the restroom sniffing your finger.
- If you stir coconut oil into your kale, it makes it easier to scrape it into the trash.
- I've grown older, I've learned that pleasing everyone is impossible, but pissing everyone off is a piece of cake.
- I'm responsible for what I say, not what you understand.
- Common sense is like deodorant. The people who need it the most never use it.

The premeeting class for January will be taught by Pam Karl. She will be teaching shallow relief ornaments at 4:00 at the Community Christian Church.
